

# TIME-30

## Process Control Stopwatch

Optimize process phases by analyzing and precisely timing each task. When improving process flow, verify improvement times and cost savings on production floors or assembly lines with precise stopwatches. The TIME-30 offers built in temperature and relative humidity readings for quick assessment of the ambient conditions.

- Chronograph: 1/100 stop watch, split/lap time
- Count-down timer
- Temperature measurement from -10°C to 50°C / 14°F to 122°F
- Relative Humidity measurement from 1 to 99%
- Time display: hour, minute, second, day, week day, month and year
- Alarm function
- Water resistant

### No hassle warranty

*No waiting.*

*No shipping charges.*

Our commitment to high-quality products and customer service is demonstrated by our industry exclusive "No Hassle" warranty. In the unlikely event that an Amprobe Test Tool requires warranty service, any of our local dealers are authorized to replace it, on the spot.

(note: \$500 MSLP limit)

## TIME-30 Process Control Stopwatch

## Data Sheet

### Specifications
